fifthsens lifestyle is
a valuable partner and serves us well,

Our Mission

Fifthsens is a 24/7 VIP service provider, whose management has been active and successful in the luxury industry for more than a decade and over time have created an extensive, international VIP service network.

We discreetly serve clients from around the world. We have assisted and continue to assist an elite clientele, ranging from captains of industries to royal families to professional athletes who have busy schedules and need turnkey solutions like ours to save time and make life easier when it counts.

We've mastered the greatest challenges and have a 100% success rate when money is not an object. Fifthsens is at your disposal to provide all types of VIP services & luxury products to you, your family or your company at a moment's notice.

Bestpoke Travel

" Providing a very special clients 24/7 luxury travel concierge services for the duration of your journey.. ”

Beginning from the conviction that movement holds boundless potential outcomes, all excursions are customized for every client, as is our administration. Your Personal Account Manager will gain proficiency with your way of life inclinations and design your administration to surpass your assumptions each time you travel, presenting to you an unrivaled luxury Travel Concierge Service from the very beginning

Work in Fiftsens Travel Management, your Luxury Travel Concierge will uphold each solicitation to guarantee you partake in an ideal excursion, utilizing our nearby information on overall locations to convey an unmatched mix of culture and extravagance.

“We arrange your personalised travel and ensure that you lack none of the luxuries you deserve.”

Different rituals, same spirit...

A Class Of Its Own...

It costs you more per hour to outsource it than you want to make yourself.

The style of Services against which all others are measured

Personal Assistant

“Fifthsens provides clients with a unique range of essential on-site/virtual personal assistant services 24/7.”

We understand that our clients' time is valuable and we are pleased to offer our clients both on-site and virtual assistant programs to help alleviate personal responsibilities and support a variety of administrative responsibilities.

The virtual & on-site personal assistant programs assigns one of our virtual or personal assistants to work specifically for each of our clients in a customized program. Our dedicated assistants will work directly with clients to better understand their project requirements, working style, and preferences.

All of our dedicated assistants provide clients with individualized and personalized attention to detail while following up diligently on each and every task assigned to them

Personal Shopper

“ SHOP HOW YOU WANT, WHEN YOU WANT, AND WHERE YOU WANT ”

Personal Shopping Concierge takes all the work out of your shopping so you can focus on what is important for you. This incredibly convenient fashion concierge connects you with an expert who shops on your behalf and gets the items delivered to your home or hotel.

Having a personal shopper not only saves your time on looking for the item and procuring it but also helps an individual to be well informed on the new trends in the market, launch date of limited editions and pre-orders for the same and also help them to host their birthday parties at their favorite brand store keeping the store open after working hours.

No request's beyond our reach. We secure your request and deliver it to you anywhere in the world, all from the comfort of your mobile phone.

“We arrange your personalised Shopping and ensure that you lack none of the luxuries you deserve.”

your stylist is here to help with every style choice.

Able to conduct your business in a safe and secure environment.

Your experience as a VIP Concierge Security Member will be nothing less than extraordinary

Security

“ Access to the most elite highly trained private security forces anywhere ”
